Nothing in this Constitution authorises the Society to do anything which contravenes or is inconsistent with the Statute, any regulations made under the Statute, or any other legislation.

1.4 Power to borrow money

The Society does not have the power to borrow money.

1.5 Other powers

In addition to its statutory powers, the Society:

- a) may use its funds to pay the costs and expenses to advance or carry out its purposes, and to employ or contract with such people as may be appropriate, and
- b) may invest in any investment in which a trustee may lawfully invest.

2 Members

2.1 Minimum number of members

The Society shall maintain the minimum number of Members required by the Act (10).

2.2 Types of members

The classes of membership and the method by which Members are admitted to different classes of membership are as follows:

- i. Member: A Member is an individual or Institutional member or body corporate admitted to membership under these Rules and who or which has not ceased to be a Member.
- ii. Life Member: A Life Member is a person honoured for highly valued services to the Society elected as a Life Member by resolution of a General Meeting passed by a simple majority of those Members present and voting. A Life Member shall have all the rights and privileges of a Member and shall be subject to all the same duties as a Member except those of paying membership subscriptions.
- iii. Honorary Member: An Honorary Member is a person honoured for services to the Society or in an associated field elected as an Honorary Member by resolution of a General Meeting passed by a simple majority of those present and voting. An Honorary Member shall have all the rights and privileges of a Member and shall be subject to all the same duties as a Member except those of paying membership subscriptions.

2.3 Becoming a member: consent

Every applicant for membership must consent in writing to becoming a Member.

2.4 Becoming a member: process

An applicant for membership must complete and sign any application form, supply any information, or attend an interview, as required by the Committee.

The Committee may accept or decline an application for membership. The Committee must advise the applicant of its decision (but is not required to provide reasons for that decision).

2.5 Obligations and rights

Every Member shall provide the Society with that Member's name and contact details (including postal address, telephone number(s), and any email address) and promptly advise the Society of any changes to those details.

Membership does not confer on any Member any right, title, or interest (legal or equitable) in the property of the Society.

2.6 Other obligations and rights

All Members (including Committee Members) shall promote the interests and purposes of the Society and shall do nothing to bring the Society into disrepute.

A Member is only entitled to exercise the rights of membership (including attending and voting at General Meetings, accessing, or using the Society's premises, facilities, equipment, and other property) if all subscriptions and any other fees have been paid to the Society by due date, but no Member or Life Member is liable for an obligation of the Society by reason only of being a Member.

Any Member that is a body corporate shall provide the Secretary with the name and contact details of the person who is the organisation's authorised representative, and that person shall be deemed to be the organisation's proxy for the purposes of voting at General Meetings.

The Committee may decide what access or use Members may have of or to any premises, facilities, equipment, or other property owned, occupied, or otherwise used by the Society, including any conditions of and fees for such access or use.

2.7 Subscriptions and fees

The annual subscription and any other fees for membership for the next financial year shall be set by resolution of a General Meeting (which can also decide that payment be made by periodic instalments).

Any Member failing to pay the annual subscription (including any periodic payment), any levy, or any capitation fees, within three calendar months of the date the same was due for payment shall be considered as unfinancial and shall (without being released from the obligation of payment) have no membership rights and shall not be entitled to participate in any Society activity or to access or use the Society's premises, facilities, equipment and other property until all the arrears are paid. If such arrears are not paid within six months of the due date for payment of the subscription, any other fees, or levy the Committee may terminate the Member's membership (without being required to give prior notice to that Member).

2.8 Ceasing to be a member

A Member ceases to be a Member:

- i. on death (or if a body corporate on liquidation or if a partnership on dissolution of the partnership), or
- ii. by resignation from that Member's class of membership by notice to the Secretary, or
- iii. on termination of a Member's membership following a dispute resolution process under these Rules.

with effect from the death of the Member or the date of receipt by the Secretary, or any subsequent date stated in the notice of resignation, or termination of membership following a dispute resolution process under these Rules.

2.9 *Becoming a member again*

Any former Member may apply for re-admission in the manner prescribed for new applicants, and may be re-admitted only by resolution of the Committee.

However, if a former Member's membership was terminated following a dispute resolution process, the applicant may be re-admitted only by a General Meeting on the recommendation of the Committee.

3 General meetings

3.1 *Holding of an Annual General Meeting*

An Annual General Meeting shall be held once a year on a date and at a location determined by the Committee and consistent with any requirements in the Act, and the Rules relating to the procedure to be followed at General Meetings shall apply.

The Committee must call a Special General Meeting if the Secretary receives a written request signed by at least 25% of members. Any resolution or written request must state the business that the Special General Meeting is to deal with.

The Rules relating to the procedure to be followed at General Meetings shall apply to a Special General Meeting, and a Special General Meeting shall only consider and deal with the business specified in the Committee's resolution or the written request by members for the meeting.

3.4 Procedure

The Committee shall give all Members at least 20 clear days' notice of any General Meeting and of the business to be conducted at that General Meeting.

The General Meeting and its business will not be invalidated simply because one or more Members do not receive the Notice.

All financial Members may attend, speak, and vote at General Meetings:

- a) in person, or
- b) by a signed original written proxy (an email or copy not being acceptable) in favour of some individual entitled to be present at the meeting and received by, or handed to, the Secretary before the commencement of the General Meeting, or

All General Meetings shall be chaired by the Chair/President. If the Chair/President is absent, the meeting shall elect another Committee Member to chair that meeting.

Any person chairing a General Meeting has a deliberative and, in the event of a tied vote, a casting vote.

Any person chairing a General Meeting may:

4.2 Election or appointment

The election of Committee Members shall be conducted as follows:

- b) Committee Members shall be elected biennially during an Annual General Meeting. However, if a vacancy in the position of any Committee Member occurs between Annual General Meetings, that vacancy shall be filled by resolution of the Committee (and any such appointee must, before appointment, supply a signed consent to appointment and a certificate that the nominee is not disqualified from being appointed or holding office as a Committee Member by these Rules or the Act).
- c) A candidate's written nomination, accompanied by the written consent of the nominee (who must be an individual financial member) with a certificate that the nominee is not disqualified from being appointed or holding office as a Committee Member by these Rules or the Act, should be received by the Secretary at least 30 clear days before the date of the Annual General Meeting. The nominator must be a current financial member. Further nominations may be received up until three hours before the time of the Annual General Meeting.
- d) Votes shall be cast in such a manner as the person chairing the Meeting determines. In the event of any vote being tied, the tie shall be resolved by the incoming Committee (excluding those in respect of whom the votes are tied).
- e) Two Members (who are not nominees) or non-Members appointed by the Chair/President shall act as scrutineers for the counting of the votes and destruction of any voting papers.
- f) The failure for any reason of any financial Member to receive such Notice shall not invalidate the election.

- g) In the event of any vote being tied, the tie shall be resolved by the incoming Committee (excluding those in respect of whom the votes are tied).

4.3 Term of Office for all Committee Members and Chair/President

- a) The term of office for all Committee Members shall be two years, expiring at the end of the Annual General Meeting in the year corresponding with the last year of each Committee Member's term of office.
- b) No Committee Member shall serve for more than 3 consecutive terms.
- c) No Chair/President shall serve for more than 3 consecutive terms as Chair/President.

4.4 Dispute Resolution

- a) Raising disputes
 - i. Any grievance by a Member, and any complaint by anyone, is to be lodged by the complainant with the Secretary in writing and must provide such details as are necessary to identify the details of the grievance or complaint. All Members (including the Committee) are obliged to cooperate to resolve disputes efficiently, fairly, and with minimum disruption to the Society's activities.
 - ii. The complainant raising a grievance or complaint, and the Committee, must consider and discuss whether a grievance or complaint may best be resolved through conciliation or mediation. Where conciliation or mediation is agreed on, the parties will sign a suitable conciliation or mediation agreement.
 - iii. The resolution of all disputes must be conducted in a manner that is consistent with natural justice.
- b) Investigating disputes
 - i. This rule concerns any grievances of members relating to their rights and interests as Members, and any complaints concerning the alleged conduct or discipline of members, collectively referred to as "disputes."
 - ii. These disputes procedures are designed to enable and facilitate the fair, prompt and efficient resolution of grievances and complaints.
 - iii. Rather than investigate and deal with any grievance or complaint, the Committee may appoint a sub-committee to deal with the same, comprised of three members of the Society who are not involved in this complaint. The Sub-committee considering any grievance or complaint is referred to hereafter as the "decision-maker".
- c) The decision-maker:
 - i. shall consider whether to investigate and deal with the grievance or complaint, and

- ii. may decline to do so (for instance, if the decision-maker is satisfied that the complainant has insufficient interest in the matter or otherwise lacks standing to raise it; the matter is trivial or does not appear to disclose material misconduct or material; the matter raised appears to be without foundation or there is no apparent evidence to support it; some damage to Members' interests may arise; or the conduct, incident, event or issue has already been investigated and dealt with by the Society).
- d) Where the decision-maker decides to investigate and deal with a grievance, the following steps shall be taken:
 - i. The complainant and the Member, or the Society which is the subject of the grievance, must be advised of all details of the grievance.
 - ii. The Member, or the Society which is the subject of the grievance, must be given an adequate time to prepare a response.
 - iii. The complainant and the Member, or the Society which is the subject of the grievance, must be given an adequate opportunity to be heard, either in writing or at an oral hearing if the decision-maker considers that an oral hearing is required.
 - iv. Any oral hearing shall be held by the decision-maker, and/or any written statement or submissions shall be considered by the decision-maker.
- e) Where the decision-maker decides to investigate and deal with a complaint, the following steps shall be taken:
 - i. The complainant and the Member complained against must be advised of all allegations concerning the Member, and all details of the complaint.
 - ii. The Member complained against must be given adequate time to prepare a response.
 - iii. The Member complained against must be given an adequate opportunity to be heard, either in writing or at an oral hearing if the decision-maker considers that an oral hearing is required.
 - iv. Any oral hearing shall be held by the decision-maker, and/or any written statement or submissions shall be considered by the decision-maker.
- f) A Member may not make a decision on or participate as a decision-maker in regard to a grievance or complaint, if two or more Committee Members, or the decision-maker, consider that there are reasonable grounds to infer that the person may not approach the grievance or complaint impartially, or without a predetermined view. Such a decision must take into account the context of the Society and the particular case, and may include consideration of facts known by the other Members about the decision-maker,

so long as the decision is reasonably based on evidence that proves or disproves an inference that the decision-maker might not act impartially.

g) Resolving disputes

The decision-maker may:

- i. dismiss a grievance or complaint, or
- ii. uphold a grievance and make such directions as the decision-maker thinks appropriate (with which the Society and Members shall comply), or
- iii. uphold a complaint and:
 - reprimand or admonish the Member, and/or
 - suspend the Member from membership for a specified period, or terminate the Member's membership, and/or
 - order the complainant (if a Member) or the Member complained against, to meet any of the Society's reasonable costs in dealing with a complaint.

4.5 Cessation of Committee membership

A Committee Member shall be deemed to have ceased to be a Committee Member if that person ceases to be a Member.

Each Committee Member shall, within 30 clear days of submitting a resignation or ceasing to hold office, deliver to the Secretary all books, papers and other property of the Society held by such former Committee Member.

4.6 Functions of the Committee

From the end of each Annual General Meeting until the end of the next, the Society shall be governed by the Committee, which shall be accountable to the Members for the advancement of the Society's purposes and the implementation of resolutions approved by any General Meeting.

4.7 Officers' duties

At all times each Committee Member:

- a) shall act in good faith and in what they believe to be the best interests of the Society,
- b) must exercise all powers for a proper purpose,
- c) must not act, or agree to the Society acting, in a manner that contravenes the Statute or this Constitution,
- d) when exercising powers or performing duties as a Committee Member, must exercise the care and diligence that a reasonable person with the same responsibilities would exercise in the same circumstances taking into account, but without limitation, the nature of the Society, the nature of the decision, and the position of the Committee Member and the nature of the responsibilities undertaken by him or her,

- e) must not agree to the activities of the Society being carried on in a manner likely to create a substantial risk of serious loss to the Society or to the Society's creditors, or cause or allow the activities of the Society to be carried on in a manner likely to create a substantial risk of serious loss to the Society or to the Society's creditors, and
- f) must not agree to the Society incurring an obligation unless they believe at that time on reasonable grounds that the Society will be able to perform the obligation when it is required to do so.

4.8 Powers

Subject to these Rules and any resolution of any General Meeting the Committee may:

- a) exercise all the Society's powers, other than those required by the Act or by these Rules to be exercised by the Society in General Meeting, and
- b) enter into contracts on behalf of the Society or delegate such power to a Committee Member, sub-committee, employee, or other person.

4.9 Sub-committees

The Committee may appoint sub-committees consisting of such persons (whether or not Members of the Society) and for such purposes as it thinks fit. Unless otherwise resolved by the Committee:

- a) the quorum of every sub-committee is half the members of the sub-committee,
- b) no sub-committee shall have power to co-opt additional members,
- c) a sub-committee must not commit the Society to any financial expenditure without express authority, and
- d) a sub-committee must not further delegate any of its powers.

5 General issues

- i. The Committee and any sub-committee may act by resolution approved in the course of a telephone conference call or through a written ballot conducted by email, electronic voting system, or post, and any such resolution shall be recorded in the minutes of the next Committee meeting.
- ii. Other than as prescribed by the Act or these Rules, the Committee or any sub-committee may regulate its proceedings as it thinks fit.
- iii. Subject to the Act, these Rules and the resolutions of General Meetings, the decisions of the Committee on the interpretation of these Rules and all matters dealt with by it in accordance with these Rules and on matters not provided for in these Rules shall be final and binding on all Members.

5.1 Conflicts of interest

A member of the Committee and/or of a sub-committee is interested in a matter if the member of the Committee and/or sub-committee:

- a) may obtain a financial benefit from the matter; or

- b) is the spouse, civil union partner, de facto partner, child, parent, grandparent, grandchild, or first cousin of a person who may obtain a financial benefit from the matter; or
- c) may have a financial interest in a person to whom the matter relates; or
- d) is a partner, director, member of the Committee and/or sub-committee, board member, or trustee of a person who may have a financial interest in a person to whom the matter relates.

However, a member of the Committee and/or sub-committee is not interested in a matter—

- a) merely because the member of the Committee and/or sub-committee receives an indemnity, insurance cover, remuneration, or other benefits authorised under the Act; or
- b) if the member of the Committee's and/or sub-committee's interest is the same or substantially the same as the benefit or interest of all or most other Members due to the membership of those Members; or
- c) if the member of the Committee's and/or sub-committee's interest is so remote or insignificant that it cannot reasonably be regarded as likely to influence the member of the Committee in carrying out the member of the Committee's and/or sub-committee's responsibilities under the Act or the Rules; or
- d) if the member of the Committee and/or sub-committee is a member of the committee of a union and the member of the Committee's and/or sub-committee's interest is merely as an employee that will benefit from the union acting in the ordinary course of promoting its members' collective employment interests.

A member of the Committee and/or sub-committee who is interested in a matter relating to the Society must disclose details of the nature and extent of the interest (including any monetary value of the interest if it can be quantified)—

- a) to the Committee and/or sub-committee; and
- b) in an interests register kept by the Committee.

Disclosure must be made as soon as practicable after the member of the Committee and/or sub-committee becomes aware that they are interested in the matter.

A member of the Committee and/or sub-committee who is interested in a matter—

- a) must not vote or take part in the decision of the Committee and/or sub-committee relating to the matter; and
- b) must not sign any document relating to the entry into a transaction or the initiation of the matter; but
- c) may take part in any discussion of the Committee and/or sub-committee relating to the matter and be present at the time of the decision of the Committee and/or sub-committee (unless the Committee and/or sub-committee decides otherwise).

However, a member of the Committee and/or sub-committee who is prevented from voting on a matter may still be counted for the purpose of

determining whether there is a quorum at any meeting at which the matter is considered.

Where 50% or more of Committee Members are prevented from voting on a matter because they are interested in that matter, a Special General Meeting must be called to consider and determine the matter, unless all non-interested members agree otherwise, and where 50% or more of the members of a sub-committee are prevented from voting on a matter because they are interested in that matter, the Committee shall consider and determine the matter.

The Society's financial year shall commence on 1st July of each year and end on 30th June (the latter date being the Society's balance date).

9 Winding up

9.1 Process of winding up

- a) The Society may be wound up, or liquidated, or removed from the Register of Incorporated Societies in accordance with the provisions of the Act.
- b) The Secretary shall give Notice to all Members of the proposed motion to wind up the Society, or remove it from the Register of Incorporated Societies and of the General Meeting at which any such proposal is to be considered, of the reasons for the proposal, and of any recommendations from the Committee in respect to such notice of motion.
- c) Any resolution to wind up the Society or remove it from the Register of Incorporated Societies must be passed by a simple majority of all Members present and voting.

9.2 Surplus assets

- a) If the Society is wound up, or liquidated, or removed from the Register of Incorporated Societies, no distribution shall be made to any Member.

- c) However, on winding up by resolution under this rule, the Society may approve a different distribution to a different entity from that specified above, so long as the Society complies with these Rules in all other respects.

10 Alterations to the Constitution
